Andi : ***“Performing live has to be one of my most favourite things in the world, and recording this album has been a completely unique and new adventure.”***

Andi Neate is a singer/songwriter of exceptional talent, with a powerful voice and a gift for melody and an unexpected turn of phrase. She is a compelling live performer, who has been compared with Suzanne Vega, Ani DiFranco and the Cranberries. She does not easily fit into established categories, but draws on a wide range of influences from folk, rock and jazz. She appears regularly at UK festivals, including Glastonbury, Cambridge Fringe Festival, Wickerman, Solfest and The Famous Spiegeltent. Her music has taken her as far afield as Canada, Prague and the Falkland Islands.
